We're planning on getting to RI mid-day Dec 25, and either leaving later that evening/night, or the next morning (probably the morning of the 26th).

As for mom and dad's present, we (well, at least I) haven't looked too much yet - I wasn't sure how you felt about it. Can we talk about it later? We're free after 5:30ish.

Hi Sonja,

I hate bothering you at work, but I have a couple questions about xmas.

First, I'm wondering what your plans are for being at mom and dad's (M&D's) house. Mom mentioned that you will be at Nikki's mom's on xmas eve, and would either show up in the middle of the night at M&D's, or would sleep a bit and then show up late morning/noontime. Do you know what time you'd be leaving M&D's? John's sister is having dinner at 1:00 (in Boston). I was thinking John and I could have dinner at his sister's then show up for dessert/presents at M&D's (I think that's what we've done before). But, that would make for a late drive back that night for you. Mom said you could possibly take off the 26th, but I don't want you to take time off if you don't have to. Nikki also mentioned to mom that maybe you guys could do the following weekend? Not sure if Nikki discussed that with you first, so I wanted to see if that was really an option for you.

Second, did you guys work out Niagara Falls? If not, dad gave me an idea for mom that you could have (I have a 2nd idea)...I'm still stumped on an individual gift for dad though (I haven't asked mom for input). Let me know.

Thanks,
Amy
